The River Ganga

Across the walking towns of the Himalayas to the coast of South Bengal this vast river has enriched the Indian soil for centuries. Besides serving as an inland waterway, it provides an arena for exciting adventure sports like white water rafting. Other large Indian rivers include the Godavari to the West, the Krishna and Cauvery in the South and the Brahmaputra in the East.

The River Ganges

From the melting snows of the Himalayas to the coast of South Bengal, this vast river has enriched the Indian soil for centuries. Besides serving as an inland waterway, it provides an arena for exciting adventure sports like white water rafting. Other large Indian rivers include the Godavari in the West, the Krishna and Cauvery in the South and the Brahmaputra in the East.
