

THE INDIAN ODYSSEY

1 9 9 1

India.

The land of the Himalayas.

The land of the sun.

The land of contrasts.

Shimmering with tropical beaches.

Icy mountains. Cool, blue-misted
plateaux and scorching desert.

Rushing waterfalls. Quiet, hidden
lagoons. Rich plains and blooming
valleys...

The Indian Odyssey. It's like
a voyage into make-believe.

Only this time, it's real.
