Everything on this aircraft, dear Passenger, is dedicated to you. Please do not hesitate to ask your Air Hostess and Flight Purser for anything you may require.

Freshly-prepared meals, to suit both non-vegetarian and vegetarian tastes, will be served, with our compliments, in flight and on the ground.

We offer a choice of aperitifs and wines. May we explain to our Tourist Passengers that due to international regulations, we regret we have no alternative but to make a small charge for alcoholic refreshments.
