We offer First Class Passengers a choice of aperitifs and wines with our compliments for consumption during flight.

However, due to international regulations, we regret we have no alternative but to make a small charge for alcoholic refreshments and cigarettes to our Economy Class Passengers.

The Cabin Crew will gladly provide information regarding payment in currencies other than those shown in this Tariff. Please also inquire for details in respect of Customs regulations governing the import of alcoholic beverages and cigarettes that exist at your destination.

By necessity, our stocks of wines and spirits are limited. Your Flight Purser will do his utmost to meet your requirements.
