Extension of England-India Air Mail Service to Rangoon.

Commencing with the service leaving London to-day, the England-India Air Mail service will be extended from Calcutta to Rangoon. The mail will be due to reach Rangoon on Sunday evening, 8 days after despatch from London, and the service will thus offer a gain of 11 days over the ordinary route. Commencing on the 2nd of October, the homeward mail will leave Rangoon each Monday and be due to reach London the following Monday.

Correspondence intended for transmission by air to Rangoon should be prepaid at the following rates and the cover should be marked "By air in India":—

Letters—first half ounce	8d.
each additional half ounce	7d.
Postcards	4d.

These rates are the same as for other correspondence for India intended for transmission by air beyond Karachi.

The air parcels are forwarded by the England-South Africa and the England-India air mail services respectively, and the latest times of posting at the G.P.O., King Edward Street, E.C.1, are 9.0 a.m. on Wednesdays and Saturdays and correspondingly earlier elsewhere. The air parcels despatched on Wednesday will be due to reach Alexandria and Cairo the following Saturday evening and those despatched on Saturday the following Tuesday evening.
