DIKPALAS

(Guardians of the Quarters)

The cosmic geography of the Hindus endows the earth with seven great insular continents, and seven circumambient oceans; beyond which, at each of the eight cardinal points, is a regent or protector accompanied by his vehicle. Depicted on this scarf are these eight guardians:

Dikpala	Vehicle	Direction
Indra	Elephant	East
Agni	Goat	Southeast
Yama	Buffalo	South
Narruti	Lion	Southwest
Varuna	Crocodile	West
Vayu	Antelope	Northwest
Soma or Kubera	Lotus	North
Isana	Bull	Northeast

WASHING INSTRUCTIONS

The scarf is made of handloom silk. Utmost care should be taken at the time of washing. Wash at home with light detergent, squeeze gently and dry in the shade or have it dry-cleaned by a reputable dry-cleaner.
