

Waterfalls

The many rivers of India are woven into the fabric of its history, each witnessing the various changes that have occurred over the centuries. The falls at Gairikund, on the Bhagirathi river at Gangotri, form part of the pilgrimage to the heartland of the Gairikund Himalayas. Within a few hours drive from Delhi, the region has numerous trekking and mountaineering routes, white water runs and stunning landscapes.

Waterfalls

The many rivers of India are woven into the fabric of its history, each witnessing the various changes that have occurred over the centuries. The falls at Gaurikund, on the Bhagirathi river at Gangotri, form part of the pilgrimage to the heartland of the Garhwal Himalaya. Within a few hours drive from Delhi, the region has numerous trekking and mountaineering routes, white water runs and stunning landscapes.
