Welcome to my web-site. Today I've added a few pages.

- Started the blog page, to make it easy to update you on additional material posted, and more news about Air-India collectables, and Air-India Aerophilately.
- I've added more aircraft pictures today of the Lockheed Constellation L-749 and Lockheed Super Constellation L-1049 in the **COLLECTIONS/AI AIRCRAFT PICTURES** section.
- I've also added more covers to the **AEROPHILATELY** section. There are several other interesting aspects to study when collecting flight covers related to this flight. Look under **MORE INTERESTING COVERS** for:
 1. Covers that are franked with an interesting combination of stamps
 2. Covers that actually carry an arrival postmark in the UK
 3. Covers that were not flown, but mailed within India only
 4. Covers that missed the inaugural flight, and went on a later flight
 5. Examples of later usage of the special Air-India postage stamp.

In this section I have displayed multiple examples of each type, and provided an explanation where needed.
