### Delhi

Air India flies you to Delhi.  
 A blend of the old and the new.  
 You can glimpse a bazaar from your limousine car  
 And purchase a bangle or two.  
 Don't be the sort who would miss the Red Fort,  
 Or fail to see India Gate.  
 Make a tiger your quarry - sign up on safari.  
 And take in the Taj - it's just great!
