### Cairo

How can you bear to miss Egypt?  
 And Cairo, the jewel of the Nile?  
 It's mosques and bazaars, rate a thousand huzzahs –  
 (Air India flies there in style.)  
 The barkeep at Shepherd's, is fresh out of leopards.  
 But he'll mix you a pousee-cafe.  
 The Pyramids (Giza,) even owed Julius Caesar.  
 So Ptolemy you'll go there some day.
