## New York

Welcome aboard from Air-India!  
 New York is a town we adore.  
 With bistros and bright lights, and  
 thousand-and-one heights,  
 And all kinds of fashion in store.  
 It's more than a pity, missing Radio City,  
 The U.N. or Park or Fifth.  
 See The Village; a march around Washington Arch  
 Might reveal that a man is a myth.
