ODYSSEY AI – MILESTONES AND MEMORIES ORBIT 11 – MAY1– 31, 2021

★ **68A "THE PAST IS PRESENT" 7.5.2021 -Contd.** ★ **RODNEY GONSALVES** - Thxs Shariar for your kind words was always a pleasure flying with you have excellent memories of you as a leader who always led the team from the front on flits to Perfection. ★ **PRASENJIT SEN** - Dedication and the Personal touch...that must have touched the heart of the CIP to retain that ingeniously created PTV Card. Shariar Karim is a calligrapher and creates wonderful items, besides a flair with the language ★ **SHAHNAWAZ KARIM** – Fantastic – Good Luck ★ **BASHIR AHMED** – Zabardast! ★ **O.P.KATARIA** - What you so thoughtfully did on the 7th of May 1995 , truly reflects how pristine your work has stayed to the present. Your beautiful handwriting that goes so well with replica of Indian miniature painting floored the CIP. The very fact that he did not part with the original shows it's worth . More than that the Joint Secretary's excitement is no less endorsement of your attractive presentation. Acceding to join the Lions is your unwavering will to do good, all the members will vouch for that....so will your friends. ★ **AI – '19 " THE GAME OF THE NAME" 11.5.2021** ★ **SUBHASISH CHOWDHURI** - Thanks for bringing the memories back. What were those days! ★ **ADV. UNNATI DHURANDHAR - Love the poem** ★ **RAHUL RASTOGI** - Wah wah, wah wah. ★ **REETA BHATIA** - U have linked names so beautifully with the game. ★ **O.P.KATARIA** - Shariar , you hit the biggest six before the start of the World Cup in 1999, wherever the roar reached, paeans of praise must have flowed your way. Some of the players too could have not escaped it.....and perhaps were impelled to give their best. How adroitly you have improvised the names of the famous cricketers and made it an engrossing composition. You can compose on any subject in a matter of minutes.....an unmissable compliment . Being a cricket enthusiast , I could place over 95% of the names even after a lapse of 22 years. I think I have not fared badly in your quiz . I am happy to note the colourful presentation of this Odyssey, embellished by the players dresses. ★ **AI-70 " PRACTICING PRODUCTIVITY PRINCIPLES" 15.5 2021** ★ **SUBHASISH CHOWDHURI** - Thanks for sharing these Principles of Productivity which I value and respect. ★ **FAROOQ ALVI** – Great Job. ★ **RISHI SINGH** - Some are well rhymed too ★ **ADV. UNNATI DHURANDHAR** - I have seen acrostic poetry.. but none quite like this .. acrostic in the begning.. acrostic in the end.. splendid. Love this. ★ **REETA BHATIA** - Together we can accomplish anything. United we stand. Our airline always believes in TEAM WORK. ★ **FAROOQ ALVI** - Karim saab, Useful for Industry managers. U should share productivity principles with Industry managers whc will gain a lot of such knowledge. ★ **KUSHAL RANA** - It is the best example of "totally professional in approach". ★ **SHITALA PRABHU** - Useful for me. Amazing ★ **AJAY PABLA** – Wonderful ★ **NINA VIJAYKUMAR** – Remembering TTT - Sir, yes. I attended it and still remember you. You had given a beautiful presentation. It was conducted in the Centaur Hotel, ★ **O.P.KATARIA** -Practicing Productivity Principles ' concisely denotes what the IFS is being trained for. None of the twelve principles can be obviated as each is in some way collaterally connected to the other and undeniably carrying its own weight too. You are a savant, as always, in getting the right word from each letter in your training module. Attuning your lines with the first letter of ' Together Each ' and ending with the last letter of ' Achieves More ' without digressing from the content is highbrow. And it is so relevant to the work of the IFS . No doubt you would have deliberated and delivered each line in your own unique way to come across to your candidates. It is exulting to see you ,my friend, in being engaged as the Guru for such high- profile seminar a pride that will never emasculate in me. How I wish I too was one of your candidates but alas it was not to be as I had left by then. ★ **AI-71 " COSCAP TRAINING" 21.5.2021** ★ **PARUL NANABHAI** - The training must have been really interesting. Again, very well penned in. I always look forward to receiving your "Milestones and Memories". Great!! ★ **ADV. UNNATI DHURANDHAR** - Quite a plethora of topics covered. ★ **PRASENJIT SEN** - Regular Training a must for any service industry ★ **KUPPUSWAMY RAVI** - Beautifully expressed experience in poetry! Love it. ★ **O.P.KATARIA** - There is no way any training can end without your indelible stamp. And how wonderfully you have paid tribute to the lecturers and organisers with a memento incorporating their names and subjects in your compelling composition. That's an arresting ' Guru Dakshina ' , bound to live in their hearts. Your last line Shukriya Mehrbani, Alvida is eye-catching. ★ **AI- 72 "FOOTBALL STRATEGIES FOR CORPORATE GOALS" 31.5.2021** ★ **FAROOQ ALVI - Irony of Fate** ★ **KUPPUSWAMY RAVI** - Iconic and IRONIC ★ **PARUL NANABHAI** -Very well written and the words of the "Game" very aptly phrased. Awaiting to Board the next flight !! ★ **O.P.KATARIA** - Shariar, your beautiful mind has used the glossary of football in the corporate field to perfection. The piece is praiseworthy to say the least. The words flow rhythmically and reflect ways the corporates can run to the optimum. Each player has an equal role to play for it to excel as in the football field. The colour effect of the Odyssey is noticeable . It is devastating and deplorable to see the great icons Maradona and Platini falling prey to what they advocated. But Pele ever stands pure and pulsating. The twists and turns in one's life are unpredictable. May God act in time as the saviour.
