NAMASKAAR, WELCOME ABOARD FLIGHT AI - 66,
ON THURSDAY, 15TH APRIL, 2021

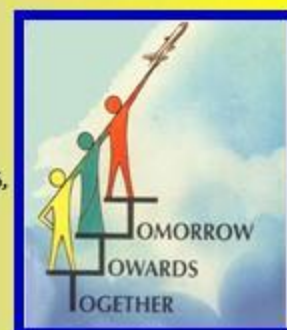

Turning back the pages of history,
Today we have reached the 15TH OF APRIL, 1997

THIS DAY, THAT YEAR –

We commenced our Corporate Training Programme -

“ TOGETHER TOWARDS TOMORROW ”

After Air-India's first Corporate Training Programme, “Bringing People Together”, conducted by the Danish Company, Time Manager International, the follow up programme “Together Towards Tomorrow” was conducted in house by a team of Trainers drawn up from various departments. I was privileged to be on that Team and conducted a total of 58 sessions in Mumbai as well as at outstations. The programme covered over 7000 employees all over India and was a resounding success. The theme poem “Together Towards Tomorrow ” appeared on the rear cover of the training booklet and my second poem for this Training Programme - “One Happy Family” exhorting Corporate Strength in Unity was recited at every session of the programme and created a very positive impact.

★ *" We are tying to one String , a thousand Minds,
We are dedicating to one cause a thousand lives"*

- Rabindranath Tagore

*The progression started when yesterday,
Our 'coming together' showed the way,
Greater values within us we found, to
Enrich our lives and of those around,
To spend our time more effectively, to
Have patience, rapport and harmony,
Each of these qualities to cultivate,
Remained up to us to inculcate.*

*Today we must evolve a way,
Of translating theories learnt yesterday,
Working together, every step of the way,
Aiming at action in the field,
Resulting in a visible yield,
Demonstrating through our inherent best,
Standards that rise above the rest.*

*Tomorrow we must try to raise,
Our service where its lacking praise,
Make an effort to do some more,
Over and above what we did before,
Ready to help and show "we care",
Reaching out to people, everywhere,
O! "Valued Employee" - where art thou?
We need you here - come lead us now.*
