NAMASKAAR, WELCOME ABOARD FLIGHT AI - 71, ON FRIDAY 21ST MAY, 2021

Turning back the pages of history, Today we have reached the 21ST OF MAY, 2004

THIS DAY, THAT YEAR WE ATTENDED -

"THE COSCAP TRAINING IN NEW DELHI"

This was a Special Training Programme organized by International Aviation Organizations, ICAO, BOEING and DGCA, and conducted by Air Safety Investigators for selected senior Crew Members from six different Airlines.

During the five day Training conducted in New Delhi, we were introduced to a futuristic insight into the Safety aspect of Aviation along with a wide range of other related subjects.

The International Aviation Trainers made it very informative and interesting for us and it was quite helpful to interact with Crew from different Airlines.

As a token of appreciation from all participants, I composed a list of subjects covered, along with a note of Thanks to each of the Trainers. It was signed by all of us and was well appreciated by the esteemed faculty whom we presented it to.

ICAO COSCAP TRAINING

NEW DELHI MAY 17 - 21 2004

ICAO, BOEING, DGCA,
 Brought us together, for COSCAP-SA,
 'REACHED OUT' to us, thru ISASI,
 And taught innovations, in CABIN SAFETY.
 We were impressed, with ADVANCE MEDIA TRAINING,
 Simply overawed, by 360 IMAGING.
 COST BENEFIT ANALYSIS, the OLIVE STORY way,
 Taught us how to make, TECHNOLOGY PAY.
 We listed CABIN ISSUES, that had an impact on SAFETY,
 The 'hottest' were UNRULY PASSENGERS, TRAINING & SECURITY.
 We touched on PROXEMICS, COMPLEMENT, FDTL and BRIEFING,
 Looked at UNIFORMS, RESTRAINTS, & the video SMART SEATING.
 We learnt TEM, CRM and SEARCH OPERATIONS ANALYSIS,
 About POST CRASH FACTORS and how to INTERVIEW WITNESSES.
 This COURSE was a LEARNING EXPERIENCE, from which much did we GAIN,
 Now ONWARDS and UPWARDS, till we meet again.
 BARBARA you have DUNN, so very well,
 Wonderful, Wonderful was IVAN NOËL.
 Dhanyavad, Namaskaar Shri CHARAN DASS and Shri SAHI,
 To you and your TEAM ever thankful we'll be,
 To the Project Co-ordinator, Janab FAREED ALI SHAH,
