COMMENTS (Contd.)

★ **AI- 48 "CALL TIME" 15.1.2021** ★ **ANJALI DANDEKAR** – Wow fantastic ! ★ **PRADEEP MUDHOLKAR** - Fabulous ! ★ **H.SOLANKI** – Amazing ! ★ **O.P.KATARIA** - I still dread that "Call time" buzz. It invariably used to come when you were going into deeper sleep. Your poetry rightly says that even after years the sparkle in their eyes has not waned ★ **AI – 49 "BRINGING PEOPLE TOGETHER"** ★ **MALLIKA RAMSWAMY** - Great. I remember seeing this in one of your pre-flight briefing instructions.. Hats off to you sir, you are so meticulous. There are very few people like you.. We learned so much from you. Thank you ★ **SHENAZ KARIM LYNCH** - Amazing for the memories captured and every little article you have shared thus far. Also the creativity that goes into each one of these memoirs. ★ **SHANTI MENEZES** - Shariar, you are incredible! You document and remind us of milestones in our company. Always accompanied by an appropriate poem. **O.P. KATARIA** - I distinctly recall the Dutch Corporate Training Programme "Bringing People Together " which was rightly shelved later for our very own Together Towards Tomorrow. Who can deny that we have sufficient talent for such courses . The cadence of your poetry has a cascading effect on the readers . In a nutshell you have competently covered the essential features that are required for the success of a corporate. ★ **AI -49A " MOMENT OF A LIFETIME" 21.1.'21** ★ **ANISA KHATOON** – Wow ! Amazing ★ **H.SOLANKI** – Mind Blowing. ★ **ALLYSON BOWEN PEREIRA** Brilliant. ★ **UNNATI DHURANDHAR** – Beautiful ! Mind boggling ! ★ **DR. ANANTH VAIDYANATHAN** – Wonderful Sir. ★ **FAROOQ ALVI** – Brilliant - superb thought in reality ★ **TARLOCHAN ANAND** – Excellent ★ **KUPPUSWAMY RAVI** – Superb ! ★ **O.P.KATARIA** - You surely keep a track of what is happening around us every moment of our lives on this earth. How exaltedly you have conceptualised and scripted this landmark event. Your composition rightly says we must cherish such beautiful times God has ordained us with. We are grateful to you to make it memorable in your own unique way for this Moment Of A Lifetime. ★ **AI – 50 "KANCHENJUNGA CRASHES ON MONT BLANC"- 24.1.2021** ★ **REETA BHATIA** –Big loss. Praying for all departed souls ★ **PRADEEP MUDHOLKAR** - Praying for the departed souls. ★ **SHAHNAWAZ KARIM** - May their souls RIP – Amen ★ **SHENAZ KARIM LYNCH** - What a thoughtful tribute ★ **O.P.KATARIA** - Kanchenjunga crash can never fade away from memory. I used to keep abreast with the newspapers those days , and this bold headline gave me a jolt. Dr Homi.J. Bhabha was a pioneer of Atomic Research in India, his loss put a dent in its progress. Portraying the event with the backdrop of Mont Blanc and the red line around the newspapers is concomitant to your class. Besides details such as the registration VT- DMN and the height of 15584 ft of the 707 at the time of the crash and to get the newspapers of 55 years back makes your Odyssey 50 significant. ★

ODYSSEY AI - MILESTONES AND MEMORIES ORBIT 7, JANUARY 1-31, 2021 1.

A few Echoes from STARSHIP ODYSSEY AI . . .COMMENTS that have left me STARSTRUCK. .

★ AI-46 "CRASH OF AN EMPEROR 1.1.2021 ★ ABID H. SIDDIQUI - So sad. In remembrance ★ ALYSON BOWEN PEREIRA - Forever etched in Our Memory! RIP! ★ MAHMOOD SHAH - You were tragically taken away too early. You are in our thoughts. Bless your Souls ★ AVINASH SARANG - All great memories of a great loss. ★ CAROL MENDONCA - It was a sad day we were in training school. Sad memories. ★ HUTOXI PALAMKOTE DRIVER - Two girls were from my batch ★ SHENAZ KARIM LYNCH - You have captured the details so well. What a tribute to those who lost their lives in this unfortunate incident ★ SHAHNAWAZ KARIM - What a horrifying reality this is, sad for the relatives who lost their loved ones..may their soul RIP-Amen ★ SAFIYYAH KARIM - RIP. Two were from my batch. Jeero Dastur and Ravi Menon. ★ S.MURALITHARAN SURULURAJ - Farewell To Eternity To All Beloved Air Indians Who Left Us To Heavenly Abode. Rest In Eternal Peace ★ O.P.KATARIA - The crash of Ashoka has not gone off from my mind . Horrifying incident that terrified us. I went into a huddle when I heard the news in the morning . I was staying in Bandra and immediately went to the site on my scooter .There were hordes of people but not a trace of the huge jumbo. And for days on end nothing was traceable. It amazes me as to how you have managed to store all the details to that day....the pictures of the crew with their data and all the pax names too, is just remarkable I eagerly went through them again. ' 101 seconds after leaving the runway the aircraft plunged into the sea at 35degree angle '.....details such as this make your text more readable . I can never forget Vivek Ajinkya who was staying at a stone's throw to my place. We pray for all those who left us . May they be at peace ★ AI-47 " WATAN KI SAIR " 4.1.2021 ★ SHAHNAWAZ KARIM - It must have been an exciting and thrilling experience for the children...God bless them... kind gesture by Air India ★ ZULEIKHA MERCHANT - What a noble thought ★ M.F.ALVI - Very creative idea ★ SUBHASISH CHOUDHARY - Thanks for sharing these emotionally touching collections. I don't have words to express my feelings. Just great. ★ CECILE DUGGAL - Proud of you all for those flights of fancy ★ O.P. KATARIA - That's another good gesture of Air India. Children are our richest wealth, our nation's progress depends on how we invest our resources and time towards their development. Kashmiri children have gone through an abominable ordeal . They have not stepped out of a confined place. Watan ki Sair ' must have given them a tremendous lease. By planting a flower with their name , each of the children have presented our " Sare Jahan se Achha Hindustan " with the most beautiful gift and turned it into an attractive Phoolon ka Guldasta. With music you made their Sair more alluring and who could be better than you Shariar, in selection of the songs for the occasion. How affectionately you are holding the child and singing . Like earlier Fancy Flights , this too will live in memory. You have organised it very well. ★ END OF ORBIT 6 - LIKES & COMMENTS - 10.1.2021 ★ M.F.ALVI - Great work done Wah wah Karim Sb. ★ SHENAZ KARIM LYNCH - How thoughtful and kind to have captured everyone's comments and likes. I can tell dear Uncle how passionate you are about your contribution and hard work (going over and above repeatedly) to Air-India. It is "Servant Leadership" ★ AJOY MITRA - Congratulations ★ SUBHASISH CHOUDHURI - I am spellbound and speechless. ★ NALINI RAO - Congratulations ! and salute for putting together this for us so beautifully and meticulously!!
