**My gallant Crew**

In 1991 we operated the Hon'ble Prime Minister P.V Narsimha Rao's flight to Harare, Zimbabwe. As the C.H.O.G.M.Meet was on, there was no accommodation available for us in the city. For the five days of our stay we were put up in a remote suburb called Marondera where the living conditions were very tough, but we took it in our stride in the line of duty. However there was one beautiful sight that got etched in our memory and that was . . . . .

*Jacaranda Days.*

We came together and flew as one  
Now we'll go our ways that the flight is done,  
Memories are all that will stay behind,  
To treasure for posterity in our mind.

We performed in flight commendably,  
We acquitted ourselves creditably,  
Despite the hardships of our stay,  
Around each obstacle we found a way.

This special flight to Harare,  
Will be remembered for many a day,  
For the team-work and spirit that prevailed  
always,

In for off Marondera - on these  
*Jacaranda Days*  
Harare, Zimbabwe: 14-18 Oct. 91

The only fond memory we brought back with us of our stay there was the beauty of a mile long country road, arched and strewn with the mauve blossoms of the Jacaranda Trees that lined it. This memento reminds me of my wonderful crew and those JACARANDA DAYS
